Window Area

A diagram of the back of an envelope. It features a large rectangular area defined by a thick orange border, representing the back of the envelope. Above this area, there is a smaller rectangular section representing the back flap, also outlined in orange. The flap is slightly curved at the top corners. A green line runs along the top edge of the main envelope body, just below the flap. Inside the flap area, there is a note in black text.

Please note: this is an a approximate back flap.

We do not recommend doing a flood of color on either the flap or the back of the envelope.
Excess ink will cause the flap to curl and there will not be any ink printed under the flap.
